WHAT GUESTS SAY

Waiting
Saturday service loses pace

Many guests report long waits for mains, especially on Saturdays; keep them informed when service slows.

Service
Warm welcome, uneven recovery

Guests praise attentive staff, but report missing explanations, bill errors and payment problems.

Food
Traditional dishes bring them back

Guests love tortelli, farro soup, pappardelle and homemade desserts; gluten-free safety needs tighter control.

Atmosphere
Cosy, but loud when full

The room feels warm and welcoming, yet some guests find it noisy and hot in summer.

Prices
Value is mostly trusted

Many guests call prices fair, while some find the wine list costly or want more choice by the glass.
